Updated March 21 Meeting

Thursday Night Double Feature

You will definitely want to mark your calendar to attend CCRMC's Thursday night March 21 meeting. Our first feature speaker. Professor David Upham, Associate Professor of Politics at the University of Dallas, will expand upon the 14th Amendment as it applies to our daily lives. Some of the provisions of the 14th Amendment includes, the establishment of religion, the rights of peaceful assembly, due process of law, unwarranted sexual harassment or most recently "right here in Texas a U. S. District judge ruled that the military must draft women". Dr. Upham will address some of the Supreme Court's decisions based upon the 14th Amendment. Indeed, an outstanding educational event.

Second Special Feature

George Fuller, Mayor of McKinney TX, will identify concerns about House Bill 2 (Texas Property Tax) with special emphasis on the impact the proposed legislation will have on our citizens and community. To properly understand this property tax initiative you will need to hear Mayor Fuller's insightful comments.

Mark your calendar for Thursday evening March 21. Meet and greet at 6:30 pm with meeting beginning at 7:00 pm at Collin County Republican Headquarters at 2963 W. 15th St Plano TX. Light refreshments will be served.

Richard Dodson, CCRMC President
